We believe in SENSATION. That it is better to TASTE the air than it is simply to breathe it, to FEEL the rush than to only IMAGINE it.

Welcome to Skydive Wanaka – NZ's most spectacular, multi award winning, high altitude tandem Skydive

EXPERIENCE:

- An awe-inspiring scenic flight to your chosen altitude in our brand new turbine aircraft. Capture NZ's highest snow capped peaks including Aoraki/ Mt Cook and Tititea/ Mt Aspiring. 15,000 feet (4575m) – 60 seconds freefall
12,000 feet (3650m) – 45 seconds freefall
- A magical parachute ride; soaring above the most dramatic alpine scenery, before landing safely back at our drop zone at Wanaka Airport.
